## Reseller Registration

Would you like to become an official Blotterverse reseller?

Register in our webshop as a company, request the Company Coupon Code, or send us an email at [b2b@blotterverse.com](mailto:b2b@blotterverse.com)

## Company Coupon Code – 50% Discount

If you register as a company, request the coupon code, and provide a valid VAT number, you'll receive an additional **50% discount**.

After we verify your company registration and VAT number, we will activate the coupon code for the email address you provided during registration within 24 hours.

With this coupon, products in our webshop (excluding the Merch & Collabs, Photo Blotter, Blotter Album category) will be available to you at a **50% discount on orders of 400 EUR or more**. To redeem it, enter the coupon code in the coupon field during the checkout process.

At checkout, the required cart value is reduced by the coupon discount applied at the end of the purchase. Therefore, after entering the coupon code the minimum cart value will be just **200 EUR**.

You can request a Company Coupon Code by clicking the button on our **Partner Program** page.

## Become a Blotterverse Reseller!

Blotterverse products are not just accessories – they are unique, attractive, eye-catching pieces that stand out on any shelf. They combine a fresh, youthful design with a sense of history and tradition, appealing both to modern customers and collectors alike.

This makes the Blotterverse range a perfect opportunity for a wide variety of retail environments.

### Exclusive collectibles that sell themselves

For individual shops and wholesalers supplying these markets, Blotterverse products represent a great business opportunity because they:

- act as eye-catching decorations and accessories,
- stand out from traditional merchandise,
- attract new customers and spark conversations,
- hold collectible value, encouraging long-term sales.

With Blotterverse, you can add something fresh, exciting, and truly unique to your store or wholesale portfolio.

Join our Partner Program today and discover how easily these distinctive items can become your customers' new favorites!

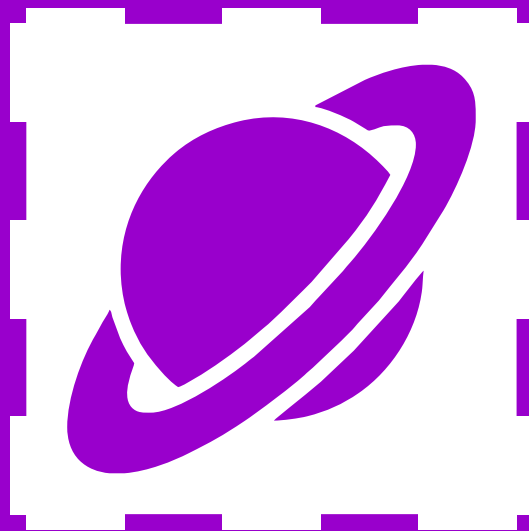

## Shipping Information

All orders are shipped from within the European Union (EU), ensuring fast and hassle-free delivery without customs delays.

We also ship outside the EU, to any country worldwide. For these destinations, shipping fees are calculated individually by country and order size, based on the actual international shipping rates.

For more details about shipping, please visit our **Shipping page!**
